May 13, 2024 09:00 AM Eastern Daylight Time

BIRMINGHAM, Mich.--([BUSINESS WIRE](#))--[OneStream Software](#), the leading enterprise Finance management platform that modernizes the Office of the CFO by unifying core finance and operational functions -- including financial close, consolidation, reporting, planning and forecasting, today announces OneStream Splash, the company's flagship user conference, will take place May 20-23 at Caesars Forum Convention Center in Las Vegas.

OneStream Splash brings together finance leaders and experts within the Office of the CFO for four days to explore how to go beyond just reporting on past performance and start steering the business to the future. With over 2,500 expected attendees, OneStream Splash will be the largest gathering of OneStream customers and finance leaders to date.

"With global economic uncertainty and increased competitive pressures, businesses are asking more from Finance leaders," said Tom Shea, CEO, OneStream. "We have a pulse on these dynamics and how they are changing the role of Finance. OneStream Splash is all about empowering the Office of the CFO to be more insightful and strategic than ever. I look forward to sharing how our vision and core innovations will fuel Finance leaders to take finance further."

With more than 70 breakout sessions, hands-on demonstrations, workshops and networking centered on how finance leaders can become a critical driver of business strategy and execution, attendees will hear from global brands who are taking their digital finance journey further, including:

- **Real-world customer stories and networking** from some of the world's leading brands, including Nasdaq, Sandals Resorts, Stake Center Locating and more.
- **A visionary message from OneStream CEO Tom Shea** on the future of Finance, exciting innovations launching on the OneStream platform and how the Office of the CFO can go beyond just reporting on the past and start steering the business towards innovation and growth.
- **An inspiring keynote from [Erik Weißenmayer](#)**, the first blind person to reach the summit of Mt. Everest, on how to build a strong 'rope-team' and pioneer new ways forward during challenging times.
- **Powerful Finance tracks** to address key challenges and innovations within AI-Driven Finance Transformation, Financial Planning & Analytics and Forecasting, and Financial Close, Automation & Transformation.
- **An Interactive OneStream AI Hub**, powered by Microsoft, to discover the future of enterprise finance and hear from luminaries and practitioners on how AI is being applied to transform and advance the Office of the CFO.
- **An engaging Expo Hall**, featuring the Ask the OneStream Experts booth for personalized insights and solutions, and a partner showcase of our 250-partner ecosystem so you can take your business to new heights.
- **Women in Finance breakfast** creates a platform for women leaders to share their experiences and the power of ambition to drive change within organizations.
- **Unlocking Diversity and Inclusion in CPM Panel** to explore innovative learning initiatives and best practices to build a truly inclusive environment, empower teams to unlock their full potential and drive success across the organization.
- **Splash Gives Back**, Splash is committed to giving back to the community through the [Splash Gives Back](#) program. This year's partner is [The Miracle League of Las Vegas](#), a nonprofit program that provides an opportunity for children and adults with disabilities to play baseball.

OneStream Splash is sponsored by OneStream global advisors and implementation and technology partners, including the following:
